

# Ballymeade Country Club

Often described as “semi-private with the feel of a private club,” Ballymeade Country Club is known for its challenging par 72 championship golf course with breathtaking views of Buzzards Bay.

Upon entering the driveway, the 35,000 square foot clubhouse appears majestic and welcoming. Step inside to find a warm and inviting living room veranda overlooking one of the Cape’s finest tennis facilities. In season, enjoy the outdoor heated pool and refreshments from the Gazebo. The newly renovated Grille Room, adjacent to the Golf Shop serves traditional fare and beverages before or after your round of golf or set of tennis. The second level of the clubhouse provides panoramic views of Buzzards Bay and surrounding areas. Spectacular and unparalleled sunsets are common from the club’s Hawk’s Nest Bar and veranda.

Whether it’s a round of golf, a game of tennis or a morning workout, lunch by the pool or a private event for your friends and family, we invite you to experience all that Ballymeade has to offer. The owners and management are committed to providing a quality country club experience in a professionally-managed, fun and family-friendly environment.

As a semi-private facility, the amenities at Ballymeade Country Club are accessible to the public at the discretion of the Club. Throughout the year, the Club plays host to outside charitable and corporate golf tournaments, private functions and weddings. When at all possible, these events are conducted at a time that does not compete with other club activities.

Memberships are currently available. General information and fees associated with the Club are included in this package. For further information, or a tour of the Club’s facilities, please contact Elizabeth Abeltin, Membership Relations, for an appointment (508-) 540-4005 ext. 119 or by e-mail: [lizabeltin@ballymeade.com](mailto:lizabeltin@ballymeade.com)
